MEDIAPAC®CARRY CASE

Rugged - Waterproof - Dustproof - Airtight

HARDCASE – CARRY CASES

HardCase - Rugged Cartridge Transport Cases

The perfect solution for transporting HardTape, MediaPac, and SolidTape. Unbreakable, watertight to 30 feet, corrosion proof , and airtight. The HardCase carry cases have o-ring seals, stainless steel hardware, an automatic pressure equalization valve, and are guaranteed for life.

The 2 pack case conveniently holds a cartridge and an interface cable, while the 16 pack case allows you to transport over 10 terabytes of data in an easy to carry briefcase format. Custom cases for a single unit to over 100 units are also available.
